Hello Magistrate!

Nathan Ochsner, Clerk of Court

My name is Brad Turner, I am currently employed with Harris County Sheriff's Office. I help my dad Dennis Turner pay the mortgage bill by giving him \$300 dollars every month. My dad would often complain to me about how the mortgage company would over charge him for the mortgage so I would assist him with more funding. I am classified as a witness because he would show me letters and bills that these companies would send in the mail and it was unclear to why they would overcharge him for the mortgage.
